

"Equipping the Saints for Living"

St. Luke's Theme for 2000

In this year 2000, we will gather around the theme "Equipping the Saints for Living." 15 different events will be offered throughout the year to assist us all in acquiring skills in parenting, leadership, reaching out in love to those in need, strengthening marriages, teaching, and music. Our ChristCare small group meetings will begin this month and offer a sense of belonging and spiritual growth.
